Contributors

The compilation of the first integrated standards of practice is the result of tremendous effort and collaboration between the MOHP Family Planning, Maternal and Child Health, and Curative Care sectors. Undertaken by the TAHSEEN/CATALYST Project in conjunction with MOHP, these standards solidify the progress made toward the integration of services at all levels of the health care delivery system.

The standards were produced with guidance and technical support from the following contributors.

Strategic Planning Committee

Dr. Esmat Mansour

Dr. Taroub Harb Faramand

Dr. Yehia El Hadidi

Dr. Damianos Odeh

Ms. Brenda Doe

Integration Committee
